WE ARE FAMILY

KRIS & KATHY

World famous Kathy Sledge and her daughter Kristen Gabrielle bring the world together, up close and personal, into the most welcoming “FamilyRoom” ever. The ever iconic anthem, WE ARE FAMILY has set the affectionate tone for the warmhearted family talk show FamilyRoom, where Kathy and Kristen’s interaction with everyday people worldwide and their interviews with celebrity friends are exciting, engaging and extremely uplifting. FamilyRoom is the absolute answer to what the world needs now.

Kathy and Kristen’s infectious chemistry sizzles on camera, sparking the humor of Joan & Melissa, as engaging as Jada & Willow, the dazzle of Goldie & Kate, and the glamour of Diana & Tracee. Each episode is up close and personal at home with the entertainment icon and her daughter. In the FamilyRoom, the duo features everything from global family recipes, best kept beauty secrets and an array of personal treasures with behind the scene exciting celebrity family stories. As we embrace DNice and Club Quarantine, Swizz and Timbaland’s Verzuz, FamilyRoom is a truly a mainstay. FamilyRoom brings the perfect combination of a dash of drama, a sprinkle of spontaneity, lots of laughter, and a mother-daughter bond that defines what family is all about. You’ll absolutely love FamilyRoom - where We are all family. Coffee’s on. Make yourself at home.
